

Office Furniture and Interior Fit-Out leasing package

We believe that customers choose to work with the Fourfront Group because we take the time to understand their needs.

How Leasing Benefits our Customers

For a long while, we have understood the benefits our customers can derive from us offering a bespoke financial package to assist their acquisitions. This can allow our customers to budget and manage cash flow in a more cost efficient manner. Periodic rentals are also fully allowable against tax, the same cannot be said for all other methods of financing.

Fourfront Group have chosen to partner with CHG-MERIDIAN Capital Ltd for many years. As an independent broker, the CHG-MERIDIAN Capital Ltd forte is to have access to an unrivalled portfolio of specialist funders, so talking to us about your furniture and interior fit-out could be a very prudent move.
